

NARRATIVES OF THE WORKPLACE

Americans spend 1/3 of their lives at work. What stories do we choose to tell about it?

Narratives of the Workplace will critically examine the literature of and about work, equally focused on the kind of documents we make at our jobs and the reflective writing we use to make sense of our working lives.

Diversify your writing skills!

Grow your appreciation for the experiences of workers!

Define your own American dream!

Fulfills the writing intensive GER
